Put why you think that this person or organisation deserves the award. This can be done by any of the following ways:

writing

Example:

Write why they deserve an award because. You can draw or stick things here too.

I have worked with Mr Other for nearly two years and he has been very helpful in making sure that I understood the work I needed to do. When things were not going well for me he spent time with me to find out why and made sure I had the right training to do my job. Mr Other makes sure that he has time with me every week to check that everything is ok and I can go and speak with him at any time. I love going to work to do my job.

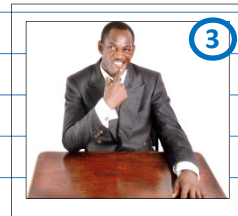

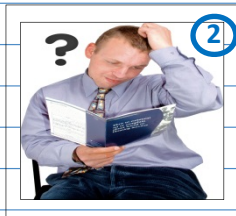

(continue on a separate sheet if you need to).

You can send photos with the form. You may need to write on the back of the photo or on the form what the photos are of.
