# Steve: Leadership Course

**We are running a Leadership Course in September. We will be going to:**

- Inclusion North (who run the Tomorrow's Leaders Course)**
- This is to update Tomorrow's Leaders Course to include Kent & Medway.**

**We are working with Mencap and local service providers. They are going to help us advertise the course.**

Steve:

**We are talking to Tricia Nicoll, who set up the Tomorrow's Leaders Course, as part of the Valuing People Team over 20 years ago.**

**We are going to run the course so we can find future generations for Tomorrow's Leaders and Governance.**

Steve:

**Thank you for  
listening.**

**If there is time,  
are there any  
questions?**
