Dartford and Gravesham District Partnership Group Annual Plan 2016-2017

The Dartford and Gravesham District Partnership Group meets 4 times a year.

We meet at The Old Town Hall Gravesend

We have around 30 people attend our meetings. We have people with learning disabilities, family carers, local voluntary organisations, and statutory services like the Police, nurses and Care managers attend the meetings.

The meetings are based around the 5 Kent wide delivery group which are:

Where I live

What I do

Good Health

Becoming an Adult

Keeping Safe/Advocacy

Thank you to the people who come along to the DPG meetings and Delivery Groups and let us know what local change needs to happen.

This plan can change and we will continue to listen to you at our meetings and learn.
