Dartford and Gravesham District Partnership Group Annual Plan  
2014 -2015

Kent Valuing People Partnership

# Dartford and Gravesham District Partnership Group Annual Plan 2014 -2015

The Dartford and Gravesham District Partnership Group meets 4 times a year.

We meet at Ebbsfleet Police station and Stone Pavillion. We have around 35 people attend our meetings. We have people with learning disabilities, family carers, local voluntary organisations, and statutory services like the Police, nurses and Care managers attend the meetings.

The meetings are based around the 5 Kent wide delivery group which are:

- Where I live
- What I do
- Good Health
- Becoming an Adult
- Keeping Safe/Advocacy

This year we are also having Kent Wide Targets that all the District Groups will be working on. These are hight lighted in Blue. Thank you to the people who come along to the DPG and let us know what local change needs to happen.

This plan can change and we will continue to listen to you at our meetings.
