Kent Learning Disability Partnership Board Delivery Group Project Application Form

Date of application; 28th June 2013

Name of Delivery Group: *Becoming an Adult*

How much are you asking for? (*Awaiting quote*)

Please tell us about your Project: *To print easy read guides/workbooks which will be used by Care Managers, schools etc to work with students going through transition.*

How will the Project link with District Partnership Group Plans?

This links with the Becoming an Adult Delivery group's Action Plan. It can also be used by District Partnership Groups to make contact with local schools and make links with students, parents and carers as well as teaching staff. This will give DPG Workers an opportunity to raise awareness of the DPGs and also find out issues that are important to young people and their families both generally and in relation to the transition stage of their lives.

Please tell us expected start time of Project

Expected finish time of Project

It is hoped to get the guides/workbooks completed in time to launch at the learning disability week event. (19th to 25th August 2013)

Please tell us what are the expected outcomes of your Project?
To have a book which can be used as a guide as well as a workbook where students can keep useful information relating to them and their transition.

If your application is successful the Kent Learning Disability Partnership Board and Valuing People Now Cabinet will expect you to report back to them on the progress of your Project half way through and at the finish of you Project.

We expect people to keep good account of how the money is spent. If any money is left over from your project we would like it returned to Kent County Council at the end of your project.

Please send application to Joanne Jones at Kent County Council at;
