

# How Delivery Groups Deliver Actions

VPN Cabinet - 15<sup>th</sup> June 2015

# What we did

At the last VPN Cabinet meeting it was agreed that Sue and I would look at the Delivery Groups and see if they were value for money.

# What we did (continued)

Sue and I did meet and we looked at how often the groups met. We talked about if we thought this should change.

This is what we thought:

# Becoming an Adult Group

To meet twice a year:

- Once to set the actions for the year
- Once (6 months later) to review the actions

I will collect information and send out a report between meetings to update the group

# Becoming an Adult Group (continued)

Month 1  
Set actions

Month 3  
Update / review

Month 9  
Update / review

Month 6  
Review actions

# Good Health Group

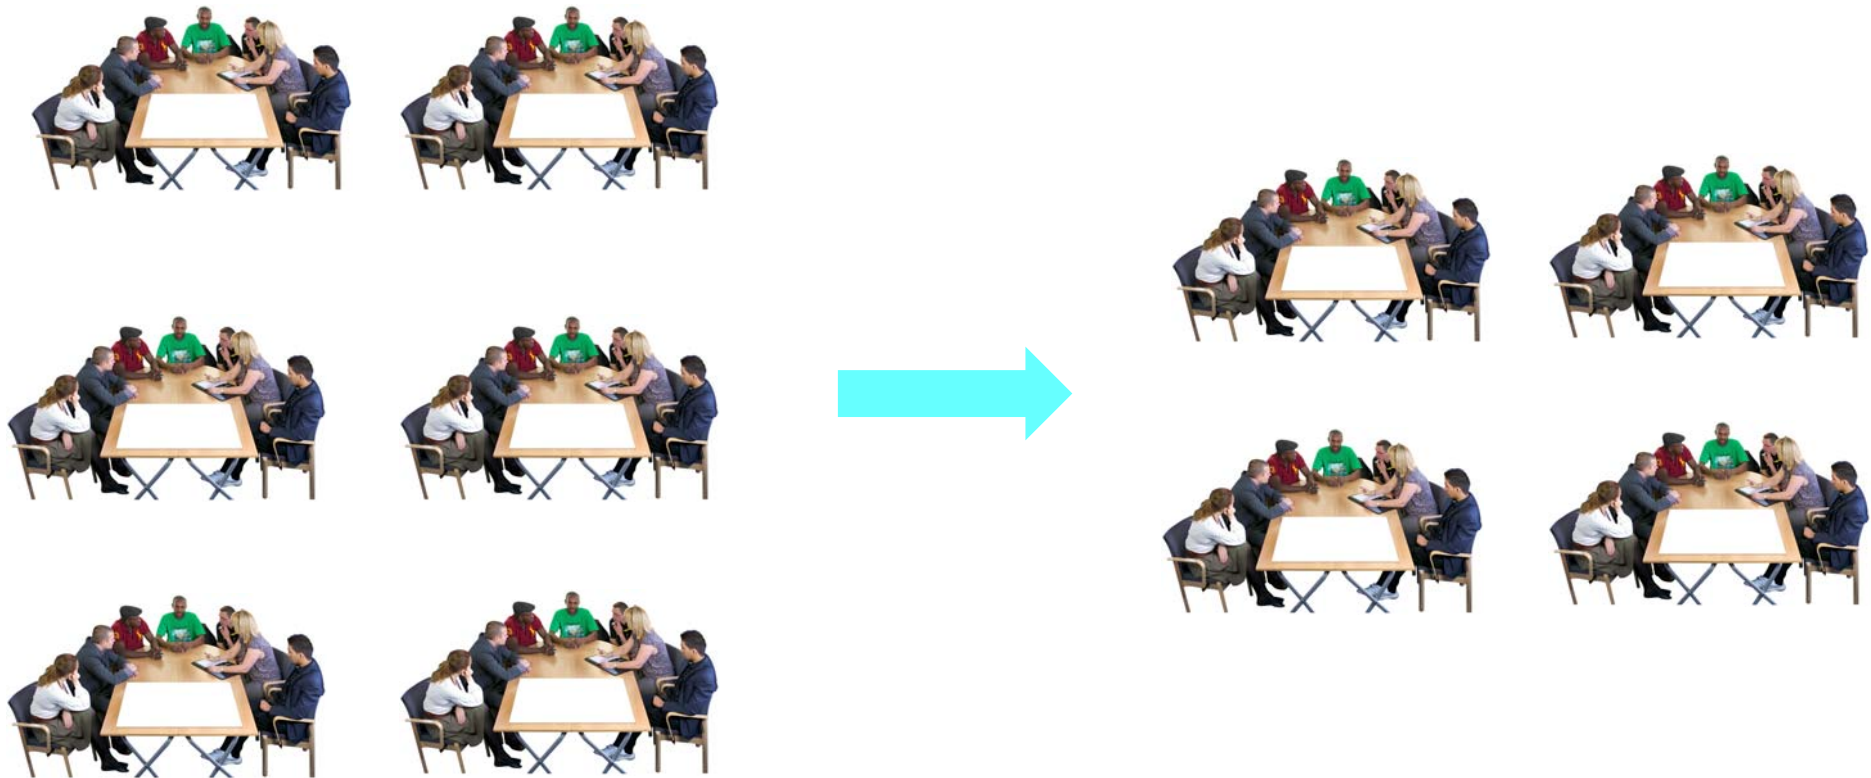

To change the meetings from 6 times a year to 4 times a year

We suggest that at the next meeting the group is to look at how to make the meetings more inclusive for people with learning disabilities

# Good Health Group (continued)

# Keeping Safe Group

This group meets 4 times a year and is working well.

We felt that this group should continue to meet 4 times a year.

# Keeping Safe Group (continued)

# What I Do Group

This group meets 4 times a year. We felt that this group should continue to meet 4 times a year.

We suggest that at the next meeting the group is to look at how to make the meetings more inclusive for people with learning disabilities

# What I Do Group (continued)

# Where I Live Group

To meet twice a year:

- Once to set the actions for the year
- Once (6 months later) to review the actions

I will collect information and send out a report between meetings to update the group

# Where I Live Group (continued)

Month 1  
Set actions

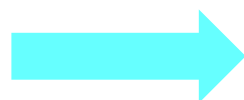

Month 3  
Update / review

Month 9  
Update / review

Month 6  
Review actions

# The report

The report will be in easy read

Before we send out the report to the delivery group an email will be sent out

This email will say that the report is about to be sent and ask questions about what needs to go in the report

## The report (continued)

The types of questions asked will be:

- Actions - have you any feedback, updates or issues?
- Have you any news for the group?
- Feedback from DPGs

Are there any other questions that should be asked?

**Any questions?**

bye
