

# Visiting District Partnership Groups

Sam Holman and Daniel Hewitt

# Why we are doing it

- To remind people what the Kent Partnership Board and the Valuing People Now Cabinet does.
- To get to know people in other Districts so they know who we are and are comfortable raising things with us.

- Talk to people about the Delivery Groups and what they do.
- Tell people what its like be a Joint Chair.
- Explain to people how we started in our own local District Partnership Groups.

- We want to look at how different District Partnership Groups run their meetings.
- We will share good ideas on how meetings are run.
- We will give feedback on things that worked well and things that didn't work well.

# How will we give feedback

- After the meeting we would talk together about what we thought of the meeting.
- We would tell Sue anything we thought was done very well so that this can be shared with other District Partnership Groups.
- We would also tell Sue anything that didn't seem to work so well so Sue could talk to the District Partnership Group Worker.

# Which DPGs could we get to

We think we could get to the following:

- Maidstone
- Ashford
- Tonbridge & Malling
- Sevenoaks
- Swale (Sittingbourne)
- Tunbridge Wells
- Dartford & Gravesham

# How much would this cost

- We think our travel fares would not be more than £80.
- It may be less if we can use our bus passes.
- Could the Kent Partnership Board fund this?
